SERPICOOL

Beneath MAD's humorous satire lies a
very penetrating, serious insight into life.
This was especially clear in your excellent
satire, "Serpicoool." The message of police
corruption was very real in the film, and
your treatment of this abuse was especially
revealing through the sharp ridicule. Be-
ing so close to the home turf of New
York's Finest, you are in a position to
judge. Accolades for Drucker and Hart!

Thomas Brock
Tempe, Ariz.

In "Serpicoool", you completely ignored
the point of the movie and just tried to
get some laughs out of it. Remember,
satire is supposed to make you laugh and
then *think*.

Rebecca Porto
Miami, Fla.

Although police corruption is a harsh
and lamentable subject, your satire makes
it seem "funny" in the same way
M*A*S*H makes the war seem "funny."
Much is said in "jest."

Joseph Brown
Staten Island, N.Y.

"Serpicoool" was a great satire on a man
who should have been made Police Com-
missioner . . . instead of being made a
target!

Paul Sundick
Great Neck, N.Y.

Mort Drucker and Stan Hart's "Serpicoool" was really Super-cool!

Michael Komkov
Lubbock, Texas

TRADEMARK GRAFFITI

Al Jaffee's "Trademark Graffiti" was un-
fair to all, the way good satire should be!
Steven Lionel
Ithaca, N.Y.

Perry Gaither
Tucson, Ariz.

ONE DAY AT NOTRE DAME

Don Martin's "One Day At Notre
Dame" proves you've got to play a hunch!
Scott Guidry

A MAD LOOK AT FUNERALS

I almost died laughing at "Funerals".
What a (MAD) way to go!
Rudolph Crosse
Slayton, Minn.

A MAD HISTORY OF SEX

I was amazed at how tastefully Larry
Siegel and George Woodbridge handled
"A MAD History Of Sex". It had a good
point, too. As soon as I figure out what
it is, I'll tell you.

Bob De Moss
Los Altos, Calif.

THE WHOLE "DON" THING IS HERE!

Yes, it is now—finally—available . . . "The Completely MAD Don
Martin" . . . a collection of the Best (Or the Worst, if you like!) of
MAD's Maddest Artist. All of the memorable mishaps, outlandish adven-
tures and kookie carryings-on of the wild, zany and absurd characters
Don Martin has created over the years for MAD Magazine . . . in one book!

A NOSE FOR MAD

I wrote to the Handyman column in my local newspaper and asked them if they had a suggestion for getting the smell out of *old* MAD magazines. They wrote back that they didn't know, and along with the reply they also added that they didn't know how to get the smell out of *new* MADs, either.

William Crawford

DRUCKER'S FIRST COVER

I adore Mort Drucker's "Special Cop Out Issue" cover, his *first* cover for MAD. I'll bet your Officer Neuman is the slowest nightstick in his precinct!

KING CON DEPT.

Throughout the years, Hollywood has given us many beautiful couples... Ginger Rogers and Fred Astaire, Elizabeth Taylor and Richard Burton, Ryan O'Neal and Ali McGraw... but, unquestionably, the most *beautiful* movie couple of *all* is Paul Newman and Robert Redford. "Beautiful" not only in the physical sense, but for Theater Owners in terms of Box Office Receipts. And, as is always the case, in order to capitalize on a movie success, Hollywood has come up with a "sequel"! Yep, if you like charm, wit, style and nostalgia... well, then, go see "Butch Cassidy And The Sundance Kid." *That* movie had *all* those elements. As far as *this sequel* is concerned, we don't know *what* it has! Because we were too confused! Mainly, we're *still* trying to figure out the plot of...

THE

Somebody,
HELP
ME...

Hey!
What
in
heck
is
going
ON?

First... that
man stabbed
me and stole
my wallet!
Then... this
man stopped
him and got
my money back!

Sounds kinda
INVOLVED!

If you
think
THAT'S
involved,
just
WAIT
a while!

Who are
YOU?

My name is Johnny
Looker! I'm just
a stranger who
happened to be
passing by! I'm
also a graduate of
the "Joliet School
For The Incredibly
Good-Looking!"

Please! I'm hurt and I
have \$5000 that has
to be delivered to a
contact at Wabash and
10th! Will one of you
take it there for me?

\$5000?! Why—giggle—
I'LL do it for you!!

Wait! You gotta
protect yourself!
Take the \$5000...
and your own money,
too... wrap it in a
handkerchief... and
stuff it down your
pants like this...

My OWN money, TOO?
Is this a trick...?

No trick! I
always walk
around with
my money
wrapped in
a hanky
stuffed down
my pants! The
Depression
makes men do
silly things!

THE ZING

ARTIST: MORT DRUCKER

WRITER: ARNIE KOGEN

Okay, bum!
I want
\$2000
from your
cut of
the take
from the
con on the
numbers
runner!

Hey!
You
can't
do
that!
I'll
call
the
Police!

I AM the Police! I'm Lt.
Snide, a corrupt Chicago
Plainclothes Cop! And as
a complicated sub-plot,
weaving its way through
the entire film, I will
hound you until I catch
up with you and beat your
pretty face to a pulp!

H—Here's the
\$2000! Please!
Don't do it!

JOHNNY! You
mean to say
you're afraid
of a lousy
BEATING
from a COP?!

A beating I
could take!
But I don't
think I can
STAND a
complicated
SUB-PLOT
weaving its
way through
THIS film!

Quick! Let's scam
before Lt. Snide
examines that money
I just handed him!

You—you mean it's
COUNTERFEIT?!

Well . . . let's put it
this way! Those four
\$500 bills he's got
are small . . . orange
. . . they have choo-
choos . . . and they say
"Monopoly" on them!

What happened?

They killed
Lothar! They
shot him, then
pushed him
out his window!

Y'know, I'm
beginning to
think that
Chicago is
NOT such a
toddlin' town!

Hurry!
You
better
get
out of
here!

Not just yet!

But—but the
COPS are
coming! What
are you
waiting for?

I'm waiting for the first
of those cute, episodic
"Title Cards" which are
supposed to explain the
plot . . . but instead,
only serve to thoroughly
confuse the audience!

THE CONFUSION

Excuse me!
I'm looking
for Henny
Goniff! I
was told he
could teach
me the
"Big Con"!

YOU . . . want
to learn the
"Big Con"?!

Yep . . . the
second oldest
profession in
the world!

Henny's upstairs, handsome!
But if you . . . stick around,
I'll teach you a few things!

No, thank you, Ma'am!
I'm not interested in
learning the OLDEST
profession in the world!

So, you're
the great
Henny
Goniff?!

Well, say
something!

Which way'd they
go, Sundance . . . ?

You drunken sot!
That was our
OTHER picture!

No . . . you're wrong!! That
picture IS this picture!
The only difference is:
We're wearing costumes of
the '30's, and now YOU'RE
much "hotter" than ME!

My friend Lothar told me you were once the "greatest"! What happened to you?

Well... I had some terrifying career set-backs recently!

Like "The Mackintosh Man", "Judge Roy Bean" and "Pocket Money"!

Yeah? Like WHAT...?

You look ridiculous! And you're supposed to be the "King Of The Con"?!! HAH!!

Well, if I'm the "King"—how come YOU'RE sitting on the THRONE?

Well? Am I gonna learn the "Big Con" or not?

Okay, kid! You're on! Now... the first thing we do is assemble a mob...

Y'know! I was just thinking! We have something amazing in common, you and I!

What's that?

It's amazing how two guys could be so down-and-out—and STILL have such great teeth!

O.K.! Our mark is Dull Irishman!

Irishman? He's not gonna be an easy mark! Anybody here know anything about him?

He's got no known vices! He doesn't smoke... drink, or "dip" when he dances!

Hey! I know a terrible secret about him! He CHEATS at CARDS!

Okay, that's it then! Here's the plan! We trap him with the "Card Hustle"! We give him the "Hook" on the train with the "Tally-Ho Deck" and "The Reverse Shuffle"! We follow up with the "Fake Bookie" set-up! We suck him in with the "Telegraph Office" ploy, slip him the "Shut Out" and cap it with the "Zing"!

What do you think, Looker?

It's an OLD TRICK... but it just might work!

I'm doing this thing for revenge! How about you?

Is THAT all you WANT out of it?

Me? I'm doing it for the thrill of the con... the exhilaration of seeing a mark separated from his money in a brilliantly-conceived fantastic plan!

No, if the con WORKS, I may ALSO be able to buy a shirt with SLEEVES!

I'm looking for a grifter named Johnny Looker! I know he hangs out here!

Johnny Looker? He ain't been in yet tonight!

It may be a while! Why not spend the time making love to one of my girls?

ME?!? Spend time making love to one of your girls?! That's crazy! I'm a Chicago Policeman!

Oh! Well in that case... maybe you'd like to spend the time BEATING UP one of my girls!

I'll wait!

THE BEATING

This place is perfect for a gambling room! O.K., get furniture, teletypes and a bar! We're making it into a fake Bookie Joint!

Dull Irishman! We're gonna pull the "Big Con" on him!

See...? I TOLD you this place was perfect! Notice—we're gambling ALREADY!

A fake Bookie Joint? Who's the mark...?

Dull Irishman?! The "Big Con"?! I bet you don't pull it off!!

Okay! The "hook" is set! He's waiting in the next car . . .

I'm ready . . .

Now, remember! He usually plays with a Tally-Ho deck! And he likes to cold it low . . . eights and nines!

Okay! To foil that, I'll drench my body with gin!

Hey, wait! What if he uses a Bicycle deck this time?

If he uses a Bicycle deck, then I'd soak my body in Moxie!

Looker, do you get the crux of what I'm doing?

Actually, I'm so confused and mixed up by all this, I don't really know WHAT'S going on!

THAT'S the crux of what I'm DOING!

Conductor, I expect my poker games to start on time! Where is Mr. Shlep?

He said he'd BE here!

What did he look like?

He was very good looking, with blue eyes and a pixie-ish smile!

That could be almost ANYONE in this movie!

Gentlemen—let's start the game without him!

Shorry I'm late! I wash inna John!

Mr. Shlep, this is a Gentlemen's game . . . and ye fergot to button yer shirt an' tie!

Y'think tha's bad? Wait'll yuh shee what ELSHE I forgot t' button!

How mush you gonna bet, Mr. Ironman . . . ?

The name is IRISHman . . . an' don't ye fergit it! An' aye'll be bettin' five thousand . . .

Wal, I'll jus' shee your fi' thousan' an' raish yuh 'nother TWO, Mr. Irish Gin!

I TOLD ye! The name is IrishMAN! An' aye'll be raisin' YE another FOUR . . .

Wow! It's a real Battle Royal! Who has the edge?

It's close, but I think Robert Shaw's Irish brogue is a bit less ridiculous than Paul Newton's cutesy drunk!

But who's gonna be the final winner?

Robert Refford! By staying OUT of this scene, he winds up with an Academy Award nomination!

Aye WIN! Aye have FOUR NINES!

Not sho fasht! I have four JACKSH!

What the . . . !? But ye just had four THREES!! How'd ye come up with four JACKS?

You kiddin'?? If I wasn't sho drunk, I would've come up with four ELEVENS!

Conductor! This man is a cheat! This game is a farce! What do you say to that?

Aboard! All aboardrrrrd! Tickets . . . please! All tickets . . .

THE TICKET

... and in the sixth at Belmont, it's **LUCKY NICK**, winning by a length and paying \$25!

LUCKY NICK! That's the horse I had! I WIN!

Beautiful! He's actually falling for the phony set-up!

Relish this moment, kid! Because it could only happen here and now ... in **The Golden Age Of The Big Con** ... Chicago, of the thirties!

Oh, yeah ... ?! Just wait until Washington, of the Seventies!

Now, you got this deal straight, P.J.? We pose as painters to con the Telegraph Office Manager into giving us the use of his office! Then, we pose as real Telegraph Agents to con Irishman when he arrives any moment with Looker! And we've got exactly 17 seconds to pull off the whole switcheroo!

It's scenes like this that make me miss the "realism" and "credibility" of **"MY FAVORITE MARTIAN"**!

This is my contact at Western Union! He gets the Race Results and calls me before he calls the Bookie Joint!

You mean you actually **BUY** that story???

Gee ... after we're through **HERE** ... there's a bridge in **BROOKLYN** I want you to look at!

Hmm! Okay, I'm in for the \$500,000!

Yes ...

Quick! Hide me in the bathroom in the back!

There's a man outside who's after me! If he catches me, I'm in the biggest jam of my life!

No ... he's the Producer of **"The Great Gatsby"**!

Why??

Is he a COP??

THE PRODUCTION

Okay—here's **Johnny Looker!** I finally nabbed him for you guys!

Hey! What is this?

I'm **Special Agent Poke** of the F.B.I.! I asked Lt. Snide to bring you in! We're after your friend, **Henny Goniff** ... and we got a tip that he's running a **Big Con** on the South Side ...

I don't know anything about it! Not a thing!

Listen, if you don't cooperate, I'll call that crazy **Commie Nut**, **Sadie Mafosky**, and tell her where you are! You remember her, and **THE WAY YOU WERE!**

I'll talk!! I know **EVERYTHING** about it! **EVERYTHING!!**

Now, we wanna come in on **"The Zing"** and make the pinch!

Okay, but will you wait till the chump is hooked?

That's okay with us! We don't care about the mark!

Then it's a deal! As long as I get to finish the play!

Just don't try to fold the con on us!

Gosh, no! Golly gee! Why, I wouldn't do that! No siree!

Huh? **WHAT** did you say?

Ooops! It slipped! I reverted to my real life personality! And I was doing so well up to now!

You woke me up, you deadbeat! Go away! I need my Beauty Sleep!

Please... let me in, Doretta! I'm lonely and I must make love to you!

A girl needs tender words and compliments before she can let a guy make love to her! First tell me how I compare to the other sexpots you've known!

Gee, the only other sexpot I've known is Henny Gonniff!

Well... how do I compare to HIM?

Your mustache is MUCH SMALLER!

Okay, you can come in!

She was running to meet me, and you—you KILLED her!

Yes... just before she killed YOU! She was a "Hit" lady, sent by the Mob to entice you with her good looks!

WHICH Mob did that?

The Polish Mafia!

Okay, Gus! This is it! The big moment! Irishman is on his way with the \$500,000 and the name of the horse! Everybody, take your places for...

THE ZING

Nobody move! We're F.B.I. agents! This is a raid!

Quick! You'd better get out of here, Mr. Irishman!

But... what about my \$500,000?!

You can kiss your \$500,000 goodbye! It's dead and gone!

But what about Mr. Shlep and Mr. Kelby?

They're ALSO dead and gone! Can't you see?

I see it... but I don't UNDERSTAND any of it!

YOU don't understand?

Look at the expressions on the faces of the movie audience!!

Wow! What a CON!! Everyone thought we were dead for the last two minutes!

A lot of people who saw our performances thought we were dead for the last NINETY minutes!

Fellas... I got GOOD NEWS, and BAD NEWS! First, the GOOD NEWS:

We conned Dull Irishman out of \$500,000!

Now, the BAD NEWS! The whole operation cost us \$700,000!

Which means we LOST \$200,000!

Today, we live in an ever-changing world. And every time there's a change, there seems to be a Crisis. You hear all about Crises on the TV News, and you read all about them in Newspapers, but do you really understand what in heck they're talking about? To explain various Crises that affect us, here is

THE MAD CRISIS PRIMER

ARTIST: PAUL COKER, JR.

WRITER: STAN HART

Chapter 1 THE ECOLOGY CRISIS

See the terrible environment we live in.
Listen to the birds.
They don't sing anymore.
They are too busy
Coughing and sneezing and throwing up.
See our rivers and streams.
See how polluted they are.
Yecch! Hocch! Ptuey!
See the fishermen catching fish.
It is easy to catch fish in our rivers.
The fish *want* to get caught
So they can get *out* of the yecch, hocch, ptuey.

Why is there an Ecology Crisis?
Because of all the burning of high sulfur fuels
And the emissions from millions of automobiles.
How do we solve the Ecology Crisis?
Simple! We replace it with...

Chapter 2 THE ENERGY CRISIS

In order to solve the Energy Crisis
The Government postpones Auto Emission Controls
And removes the ban on burning high sulfur fuels.
Bye-bye, Ecology Crisis! Hello, Energy Crisis!
To save energy, we must turn down our heaters
And keep our homes no higher than 68 degrees in Winter.
To save energy, we must turn up our air conditioners
And keep our homes no lower than 72 degrees in Summer.
Maybe we should use our heaters in Summer
And our air conditioners in Winter.
68 degrees is deliciously cool in Summer
And 72 degrees is toasty warm in Winter.

There are many plans for developing more energy,
Like using wind power, or sun power,
Or even extracting oil from compressed animal droppings.
If that works, just imagine the mobs of people
Who'll be standing around Congress with shovels.

Chapter 3 THE GASOLINE CRISIS

See the lines of cars at the gas station.
People are waiting to get three gallons of gas
So they can make it to the next gas station.
Some people fill gas cans and keep them in their cars.
With these gas cans, they can travel a long way:
Straight up, when the cans explode in their cars.
Our Gasoline Czar in Washington has just announced
Another new plan to solve the fuel shortage.
He talks of allocations and price adjustments.
He is doing a great job keeping us on the move.
Because of him, Americans
Have been going around in circles for months.

To eliminate the fuel shortage, the Government
Wants to give the Arabs more money for their oil.
Do the Arabs really need the money?
Sure they do! Can you imagine what it costs
To launder sixty million bed sheets?

Chapter 5 THE CONFIDENCE IN GOVERNMENT CRISIS

Some people in this world actually do not believe
What their Governments tell them.
These people were once known as "Cynics"!
Now they are known as "Americans"!
Americans are very confused.
They think our President has something to hide
Just because he erases White House tapes,
And fires Special Prosecutors and Attorney Generals.
They don't understand that the President
Is just trying to bring back the good old days
Of King George The Third.
And Mr. Agnew confused Americans even more.
He asked them to believe him when he said he wasn't guilty,
And asked them *not* to believe him when he told the courts he *was*.

Americans distrust Presidential Appointees who work in secrecy,
Like Presidential Lawyers and Advisors who work behind locked doors
Of Federal Penitentiaries.

Chapter 7 THE WORLD CRISIS

Pick your favorite Crisis on a map of the world.
How about the Far East?
The Americans arranged a peace
To end the Vietnam War Crisis.
Then the Americans went away.
Unfortunately, the war did not.
Perhaps you like the Middle East?
See the Arabs and Israelis ready to blow each other up.
The Americans arranged a peace
To solve the Middle East Crisis.
Then, the Americans went away.
Unfortunately, the Crisis did not.
Today, in an effort to avoid confrontation,
The Americans and the Russians are acting as peacemakers.
The Russians are supplying the Arabs with weapons,
And the Americans are supplying the Israelis with weapons.
So the two of them can kill each other.
And leave us two peacemakers alone.

Chapter 4

THE FOOD CRISIS

Scientists are predicting a coming Food Crisis.
There are too many hungry people in the world,
And not enough food to feed them.
What can be done?
Well, for one thing, how about feeding only the people
Who are *not* hungry? They eat a lot less!
In the U.S.A. we have a wheat shortage
Because the President sold wheat to Russia, cheap.
Why did he do that?
Because he knew it would make him popular
With the Russian people.
Why didn't he just keep the wheat here?
Because he knew it was too late to be popular
With the American people.

Wouldn't it be wonderful if everyone had enough to eat?
Then, there would be nothing to worry about.
Except, perhaps, the impending Toilet Paper Crisis!

Chapter 6

THE ECONOMIC CRISIS

See the Graph Line marked "A" go up and up and up.
This line represents the Cost of Living.
Wave "Bye-bye" to this line as it goes out of sight.
See the Graph Line marked "B" go down and down and down.
This line represents the Purchasing Power of the Dollar.
Say "Farewell" to this line, it is never coming back.

See the Graph Line marked "C" curve down and then up again.
This line represents the President's Mouth
As he tells us that our economy is in great shape.
See the Graph Line marked "D" curve up and then down again.
This line represents the Consumer's Mouth
When she sees the prices skyrocketing in the supermarket.

See the Graph Lines marked "E" join, then part, then join again.
They represent a Penmanship Exercise.
What is a Penmanship Exercise doing in this Chapter?
Nothing, but it makes about as much sense as our Economic Condition.

Chapter 8

THE MORALITY CRISIS

See the porno movie house.
It is a product of the Morality Crisis
That many people are up in arms about.
Mostly, older people!
Porno pictures show people making love.
"Disgusting! Degrading! Un-American!"
Say our moral leaders.
"Ban porno movies! Show Clint Eastwood pictures instead!"
"All they portray is killing, maiming and bloodshed."
"Three respected American Traditions!"

See the young man and young woman living together.
They have no use for marriage.
Their parents say they are destroying
The Institution of Marriage.
Parents have a great respect for
The Institution of Marriage.
Many of them have tried it again and again!

Chapter 9

THE CRISIS OF THE CITIES

See the crowded city.
See the unhappy city dweller.
Is he unhappy because too many people live in the city?
No, he is unhappy because too many people *die* in the city!
City dwellers have big problems.
Every day, hundreds of them are
Stopped, insulted, abused and beaten.
And that's by the Police!
Muggers are even worse!

Many people are leaving the cities.
They want to live in an environment
Where their kids can be happy.
So they move to the suburbs
And spend three hours a day
Commuting to and from the city where they work.
They don't have any time left to spend with their kids.
Maybe that's why the kids are so happy.

Chapter 10

THE MEDICAL CRISIS

See the long lines at the Hospital.
See the people waiting three or four hours for treatment.
Some will wait even longer if it's not an emergency.
Hospital costs are astronomically high.
Over \$100 a day for a Hospital Room.
Smart people never go to Hospitals.
When they're sick, they check into Luxury Hotels
Like the Waldorf Astoria. It's cheaper!

See the man on the street. His leg is broken.
The Ambulance will arrive just as soon
As the Ambulance Attendants finish their coffee break.
Then, they will put the injured man into the Ambulance,
And turn on the siren so it emits a frightening shriek,
And speed through the city, cutting off cars and running red lights,
And slamming on the brakes at the Hospital Entrance.
When they arrive, the poor man's leg will no longer hurt.
He'll have died of a heart attack during the terrifying ride.

Chapter 11

THE CRISES CRISIS

See what kind of a world we live in.
Crises, Crises... everywhere you turn.
There are no longer any "Problems," just Crises.
How does a simple Problem become a Crisis?
Easy! It's put on the TV News,
And it's an Instant Crisis.
Because a Problem is boring, but a Crisis gets ratings.
Oh, well... that's Show Biz!
And Newspapers scare you even more
By creating Crises of their own
Because one of Newspapers' biggest Crises these days
Is trying to stay in business competing against TV News.

See the man in the Strait Jacket.
One day he didn't watch TV or read a Newspaper.
He wasn't aware of a single new crisis.
He went insane.
He just wasn't prepared to live in a world without crises.

ONE MORNING IN SURGERY

IT'S IN THE PUNCHCARDS DEPT.

Chances are that everyone in the known world over the age of ten has had at least one battle with a computer in his lifetime. There's just something about the arrogant, stubborn refusal of a machine to reconsider even its most blatantly stupid acts that seems to bring

out the beast in us. As a result, we spend most of our free time fighting a full scale war against computers. Tragically, it's a war we're all destined to lose. Let's face it: we're only human beings armed with nothing but logic and intelligence. These weapons are no

I was blowing up like a balloon... so I went on a crash diet of cottage cheese! I've been eating nothing but cottage cheese! I've lost weight all right, but cottage cheese is coming out of my ears!

I hate cottage cheese! I never want to see it... smell it... or eat it again! That's why we came to this restaurant! I am going to eat everything on the menu that's fattening!!

Yes, Miss? What would you like to order?

Cottage cheese...

Are you eating again, you fat slob?! Do you realize it would take three of me to make one of you? You can't even buy clothes like normal people ... off a rack! You have to go to a special "Fat Man's Shop"...

And who the heck ever said that fat people are jolly?! What's jolly about a blob of blubber?! Besides ... worst of all, your life-expectancy is shortened!

So tell me, Fatso! Are you going on a diet ...?

NO! I don't have to!

You made me lose my appetite!

Wow! Did you ever turn out to be a Skinny Bolink!

Yeah! But getting this way involved an awful lot of **GUILT!** And I sure would like to get it off my chest!

At every meal, I stuck strictly to my diet! But in between, I used to cheat! I used to sneak treats and stuff!

And then, as if God decided to punish me, I began to lose weight all right ... but in all the **WRONG PLACES!!**

I see what you mean about getting it off your chest!!

It's sinful the way you stuff your face!

What's the sin in enjoying good food?

One of the "Seven Deadly Sins" is the sin of "**GLUTTONY!**"

Oh, well! **Everybody** indulges in one sin or another!

That's not so! At one time, I was an over-eater! But I went on a diet, trimmed down to a size ten, and now I enjoy walking down the streets and having all the guys whistle at me!

Yours is "**VANITY!**"

See ...? I **TOLD** you everybody indulges in one sin or another!

BEN-EDITIONS DEPT.

Since the release of "The White House Transcripts," Mr. Nixon's critics and enemies have been calling him dishonest, unprincipled, immoral, etc. And we don't think that's fair! Because we read the Transcripts, and there was something vaguely familiar about them. So we checked. Do you know that another famous American, Benjamin Franklin, said practically the same things Mr. Nixon said? Let's compare Mr. Nixon's statements* to quotes from...

Poor Richard's Almanac

God helps them that help themselves.

You can say, "I don't remember!"
You can say, "I can't recall!"
"I can't give any answer to that!" "That, I can't recall!"

The maintaining of one vice costeth more than ten virtues.

It's going to require approximately a million dollars to take care of the jackasses who are in jail.

Highlights and Happenings Hither and Thither in the Holy Land

By Leonard Lionfodder

METHUSELAH is still breathless after celebrating his birthday. But who wouldn't be after blowing out 900 candles? . . . JONAH has turned down a huge coffer offer to stage his whale act in the Red Sea . . . Newest Philistine joke: How do you break a Philistine's finger? Hit him in the nose! . . . BIBLE BELTS DEPT.: Don't tell NOAH, but one of his zebras is gay!

Don't invite JESUS and JUDAS ISCARIOT to the same supper. For that matter, don't invite GOD and SATAN to the same millenium! . . . Speaking of SATAN, that little devil, rumor hath it that he's "that way" about JEZEBEL . . . QUERY OF THE MONTH DEPT.: Who's pulling the wool over the eyes of ISAAC? . . . Heard around the Holy Land: "Am I my brother's keeper?" . . . "Let my people go!" . . . "Does Sodom tell Gomorrah?"

TORRID TRIO Hottest of the hot new groups are Shadrach, Mesach and Abednego. Their many fans hope they won't cool off after the fab success of their current chart boggie, "We Faked Out That Firey Furnace."

It's being hushed up, but JOB appears to be on the verge of a blow-up . . . JEREMIAH and ELIJAH are set to exchange guest shots in each other's realms. It's all part of the new Prophet-Sharing Plan . . . How does a Philistine count to 12? On his fingers! . . . Insiders blame ADAM and EVE for the death of ABEL. They claim that's what'll happen when a couple raises CAIN! . . . DAVID's latest Psalm is sure to hit the top of the charts . . . LOOK-ALIKES DEPT.: OBADIAH the Prophet and the River Jordan.

Quote of the Month: God to Moses—"Take two tablets and talk to me in the morning!" . . . NEBUCHADNEZZAR (he's the Babylonian Biggie) is on the mend after his fingers went numb during an autograph session. Whose wouldn't with a name like his! . . . Speaking of 'ol NEB, fans everywhere are flipping out over his wild new song, "The Writing on the Wall" with those glitzy lyrics, "Mene, Mene, Tekel, Upharsin" We like Daniel's interpretation best . . . And speaking of Daniel we hear he's just redone his den.

TOP PROPHET Jeremiah proudly holds his "Adam" statuette, presented to him after being chosen "Best Prophet In A Non-Warlike Role." Other winners at ceremony held in Jerusalem: Best King—Solomon. Best Hero In A Supporting Role—Mordecai. Best Apostle In A Doubting Role—Thomas.

DAVID is still fuming over those "Goliath Lives!" buttons . . . EVE is putting the finishing touches on her fab autobiography, "The Sensuous First Woman" . . . Answer to J. T. of Canaan: Tell your friend he's wrong. The Hanging Gardens of Babylon are *not* a new group . . . Answer to K. L.'s query about MOSES and the Red Sea: "To get to the other side!" . . . Be nice to Joshua. We hear he's getting the run-around . . . Why does a Philistine keep camel dung in his back pocket? For Identification! . . . But don't get me wrong—I love the Holy Land!

CANAAN CLAN TO SPLIT? Nobody's denying rumor that Joseph (shown here in his fab, new, glitzy coat of many colors) wants to ditch his brothers and form his own solo act. The Split-up began when Joseph suggested the group change its name from "Jacob's Boys" to "Joseph and the Others."

A lot of stories get spread around, especially about big stars like Samson. Some of the time Samson can stop these rumors himself—with only a jawbone of an ass, but most of the time it's too late, the damage is done! To help ol' "Bulging Biceps" himself put a stop to some rumors currently circulating, **BIBLE RAVE** has researched them at their source and offers these **FACTS** to finally set things straight!

RUMOR: Samson hates Philistines.

FACT: Untrue! But he has nothing against leaning on them a little!

RUMOR: The secret of Samson's strength is in his diet.

FACT: To be perfectly honest, he has a lousy diet. He digs sweets and leavened breads too much. Samson dismissed the "special diet" theory with a smile, saying: "I've got more important things weighing on my head!"

RUMOR: Samson wants to be named king.

FACT: Ridiculous! This pinnacle of strength, this mightiest hero of the Holy Land, this super-human wonder who is worshipped by tens of thousands of adoring fans, this greatest warrior who ever lived, is a humble, modest soul who seeks only the simple life.

RUMOR: Samson slays Philistines for sport.

FACT: Samson would never do that to a dumb animal. He adores Philistine jokes, though, supplying a few dandies for Leonard Lionfodder's page in this issue.

RUMOR: Samson won't go out with girls who don't kiss on the first date.

FACT: Wrong! Samson doesn't go out with girls who won't arm wrestle on the first date.

RUMOR: Samson has a press agent who is hired to get his name in the columns.

FACT: Absurd! Samson hates publicity, stating: "When I see any column, I just push it aside!"

Adam

"What's a girl? I'm not sure I know what one is. There's this other person living with me and who's built different and who doesn't have to shave. If that's a girl, then I guess I dig her. In any case, do I have a choice?"

Methuselah

"I've got a thing for younger women, so once a girl hits the age of 300 she begins to lose me. I tried dating a 370-year-old once, but all she wanted to rap about was the problems of reaching middle-age. Give me an unspoiled, fresh, young 140-year-old anytime."

Joshua

"I like a girl who digs walking. And I mean walking—like for seven days in circles. I know this sounds kinda kooky and that there are a lot of chicks who prefer riding in chariots. But that's their hang-up. Oh, yeah—one more thing. It'll help if the chick digs loud trumpets."

Solomon

"That's a tough question. You see, I've never been alone with a girl. I've been alone with ten girls and twenty girls and once even with thirty-seven girls. I dunno. I guess I'd have to say I dig a girl who likes to share."

One Evening At The Stamp Club Meeting

Good Lord! What's going on here?

A guy got run over by a car!

Well ... at least the Police got here fast!

They didn't have far to go! **THEY** were the ones who ran over the guy!

But the three of them are just standing around their car! Why don't they **DO** something?

They **ARE** doing something! They're giving themselves citations for reckless driving!

Gee ... none of those Police Officers seem to know anything about Crime!

Oh, they know A LOT about Crime! Boy, talk about **STEALING** ... they accept paychecks for appearing on this show every week as ...

THE ROOKERS

ARTIST: ANGELO TORRES

WRITER: DICK DE BARTOLO

Hey, wake up, Mite! It's time to go to work!!

Okay! I'll just wake up my fellow Officers, Terrier and Willies ...

Why are you always so concerned about **THEM**?

Because we're close buddies! Because we share everything!

Yeah! I **KNOW**!!

C'mon, Willies ... C'mon, Terrier ... Wake up!!

If we're just **ONE MINUTE** late, Lt. Pyker goes through the roof!

He's just pretending! Under that cold exterior is a warm interior!

Yeah! And inside that warm interior is a heart of stone! Let's go—

Bye, Sweetheart!

Bye, Dear!

Now, each one of these pins represents a jewel robbery! But we have no clues, no suspects and no motives! I tell you, this thief is making complete fools out of everyone on the Force!

Lt. Pyker, you're giving that crook too much credit! We were complete fools long before he showed up! Er—I don't think that came out right!

... and speaking of complete fools ...

Hey! You guys are **EARLY!**

Gee! And we thought you'd be angry! Actually, we're two minutes **LATE!**

I meant you're early for **TOMORROW's** shift! There's only 7 hours and 58 minutes left of **TODAY's** shift! Now, there's a jewel thief at large, and I want you guys to apprehend the perpetrator!

If we can't do that, is catching the crook okay?

Willies and Terrier will be partners today! And Mite, you'll pair up with Senior Officer Pincher ...

Oh, no! I don't want to trust my life to some Rookie Cop! You probably don't even know what end of the gun the bullet comes out of!!

Oh, yeah?!? I'm a lot smarter than that! And if I hadn't forgotten my gun, I'd show you!

Come, now, Officer Pincher! We were **ALL** Rookies one day!

And that's how those guys act after ten months ... like they were Rookies **ONE** day!

Doesn't it tee you off to hear Senior Officers talk about us Rookies like we were a bunch of incompetents?!

Yeah! If they'd only watch us, they'd see we're as capable as any Veteran! Hey ... why don't you pull in here for some coffee?

Huh? What do you mean, why don't I pull in here for some coffee! I'M not driving! That's funny ...

Neither am I!!

See that?! It's the old story! There's never a Cop around when you need one!!

I don't care **WHAT** Lt. Pyker says, I still wish I didn't have a **Rookie** as a partner! Now, call in to the Station, and see if we can break for **Dinner!**

Er—I don't think I can do that!

Why? Forget the number of our car, Rookie . . . ?

Oh, nothing dumb like that! I—I forgot the microphone for the radio! It's home with my gun!

Attention, all units! Another jewel robbery is in progress at 21 Vonch Road, so everybody make reckless, tire-squealing, audience-grabbing, wild U-turns immediately, and get going . . .

Here's my wild U-turn . . .

Hey! Why'd **YOU** make a U-turn?

We were already going in the right direction!

Because that way, I get to make **ANOTHER** wild U-turn—like this!

Boy, are we gonna surprise Terrier and Willies when we get there first!

Hey, you know . . . something tells me we shouldn't have made a **U-turn** where we did!

You're always so picky! Just because we did it on a **One-Way Street** and now we're going 90-miles-an-hour against the traffic! This way, I'll bet we get to 21 Vonch Road first! Boy, are we gonna surprise Mite and Pincher!

SURPRISE!!

CRASH!

You guys should be more careful! You nearly ran over my suitcase . . . and it contains **\$150,000** in stolen jewelry!

We'll try to be more careful next time! Er—say . . . how come the mask?

Well, quite frankly, I'm covering up my face because I'm so embarrassed . . . for **YOUR** sake!

Hey! That guy over there looks like he could be the jewel thief! Go get him! My door's stuck!

So's mine! Well, then blow your **WHISTLE!!**

I can't! It's home with my gun and the microphone!

When I said you guys should go out there and have a smashing day, I didn't mean smashing up Police Cars! Not only did you demolish TWO of them . . . but you let the jewel thief slip through your fingers!

Aw, c'mon, Lieutenant, you can't really be angry with us! We're just three big lovable dopes!

I don't buy the "big," and I don't buy the "lovable"! "DOPES," I'll buy! Now, look at this CRIME MAP! It can't go on like this!

Why? Are you running out of PINS?

Out! Out! Out!

Officer! Officer! Do you know my daughter has vanished?

No, but if you hum a few bars, I'll fake it!

It's midnight and I'm upset over my poor lost daughter! What kind of an answer is that!?

It's just something a Cop uses! It's called a "Night Shtick"!

What is your badge number . . . ?

It's . . . uh . . . oh, NO! I left THAT home, too!

What's wrong? Can I help you, Ma'am?

I don't think so! I already DID all the good lines!

My . . . daughter . . . sob . . . is missing!

Missing what? Hey . . . there are still some good lines left!

What was she wearing when she vanished?

Uh . . . jeans!

Jean's what!?

Jeans . . . and a gold watch, a gold ring, a diamond necklace, a few bracelets and platinum earrings!

Where did she get all that jewelry?

Her new boyfriend gave it to her!

Wow! Do you know what that means?

Yeah! By today's standards, she's UNDER-dressed!

Don't you think it's strange . . . getting all that jewelry from a new boyfriend?

Not really! They've KNOWN each other for nearly a WEEK!

Can you show us where the boy lives?

Sure . . .

Then hop in! But I think it's only fair to tell you—it's 60¢ for the first 1/6th mile and 10¢ for each additional 1/6th!

MEANWHILE . . .

Hey, Willies! Pull over there! Some guy is signalling us for help!

Hel-l-lp! Please! I—I need he-l-lp! My—my appendix is b-b-bursting!

Hop in! Step on it, Willies!

There was another
jewel robbery at
18th and Elm at
10:00 o'clock!
Where were you?

Well, there was
another one at
20th and OAK at
11:00 o'clock?
Where were you?

I guess that tells you
boys something about the
importance of **TIMING!**

Yeah! The thief has
LOUSY TIMING! He
missed us both times!

At 20th and OAK!

At 18th and ELM!

Well . . . if you
boys don't have
the perpetrator
apprehended in
24 hours, you're
off the Force!

There's no
rule in the
book that
says you can
do that!

Oh, no? Read this!

But that rule is
written in pencil!
And it's in **YOUR**
handwriting!

Well, it's
MY BOOK
. . . and I
can write
what I want
in it!

This is
where he
lives!

Don't take
another step
or I'll shoot!

You'll never get
away with this!

Considering what **YOU**
guys get away with every
week, I'm a **SAINT!!**

Psst!
Hey,
Rookie!
Do
you
have
any
TEAR
GAS?

Yeah! But it's
home with my
gun, my badge,
the microphone
and my whistle!
But **don't** worry!
I'll get him
out of there!

I—I'll give
him what the
people expect
from this show
every week!

You're gonna
give him
NAUSEA?!!

No . . . I'm
going to
give him a
real good
talking to,
and see if
I can't get
him to give
himself up!

Now,
Son . . .
Oh, can I
refer to you
as a
"Son"?

Sure!
And can I
refer to you
as a
"Mother"?

Hear that? I'm
gaining already!
Son, it's very
naughty to steal!
You understand?

Oh, yes, sir, Mr.
Police Officer!

Now, since this is your
first offense, we're
not going to punish you!
But it would be nice if
you came down to the
Station House and stayed
with us for a while . . .
like ten-to-twenty years!

I'd sure
like that
fine, Mr.
Policeman!

I see it . . .
and I hear it,
but I don't
believe it!

Well, you can join the millions
of others who watch it every
Monday night on television, and
don't believe it either!
